ICSINC 2025 Call for Paper
The 13th International Conference on
Signal and Information Processing,
Networking and Computers
August 11 – 14, Changchun, China

International Steering Committee

- Songlin Sun, Beijing University of Posts and Telecommunications, China
- Ju Liu, Shandong University, China
- Chenwei Wang, Google, USA
- Takeo Fujii, The University of Electro-Communications, Japan

General Co-chairs

- Yue Wang, China Academy of Space Technology, China
- Xinzhou Cheng, China Unicom Research Institute, China

TPC chairs

- Jiaqi Zou, Tsinghua University
- Gang Sun, China Aerospace Science and Technology Corporation, China
- Lexi Xu, China Unicom Research Institute, China

General Secretary

- Xiao Zhang, Beijing University of Posts and Telecommunications, China

Topics (Not limited to)

5G/6G Mobile Network

Artificial Intelligence

Big Data

Internet of Vehicles

Cloud Computing

Communication System

Signal Processing

Information Theory

Multimedia Technology

Electronic Engineering

Information Security

Computer Science

Network Operation

Space Technology

- Space Equipment Architecture
- System Design and Simulation
- Model based System Engineering
- Platform and Payload Technology
- Thermal control technology
- Spacecraft launch System
- Intelligence Manufacturing
- Data Processing and Transmission
- Remote Sensing Application
- Attitude and Orbit Control Technology
- Software Developing
- Testing Technology
- Space Innovative Technology

Important Dates

Paper Submission:

June 3, 2024

Acceptance Notification:

July 11, 2024

Camera-Ready:

July 31, 2024

Submissions

All submissions must be received through **E-mail** and only **PDF** files will be submitted for the review process.

Papers can be submitted via E-mail: **icsinc@163.com**

Papers should be written in English with a maximum paper length of **eight**, more than which are subject to an additional charge. Submitted papers must be original work. All manuscripts will be peer-reviewed in accordance with standard procedures before being accepted. Papers can only be published after they have been accepted and the authors attend the meeting. All accepted papers will be published in Springer's conference proceedings and applied for EI indexing, and excellent papers will have the opportunity to be recommended to SCI journals after expansion and improvement.

Please refer to the standard template for submission of articles, see ICSINC 2025 Template.
